Foreword

OTTOVILLE LOCAL SCHOOL AND 1971.

This is the school and this is the year which gave to us many cherished moments and friendships. These we want to last, even though years and miles may separate us.

This is the school and this is the year which gave to us influence of teachers and administrators which we will carry into our future. We may assume that time will show some of those who influenced us are among the truly great.

This is the school and this is the year which offered to us high ideals, good basic attitudes, and a desire to face the challenge of living. If we have accepted these qualities, our lives will show it.

Ottoville Local School and 1971 will live in our memories. The staff who produced this book hopes that for each and everyone, it will truly be an echo of time.

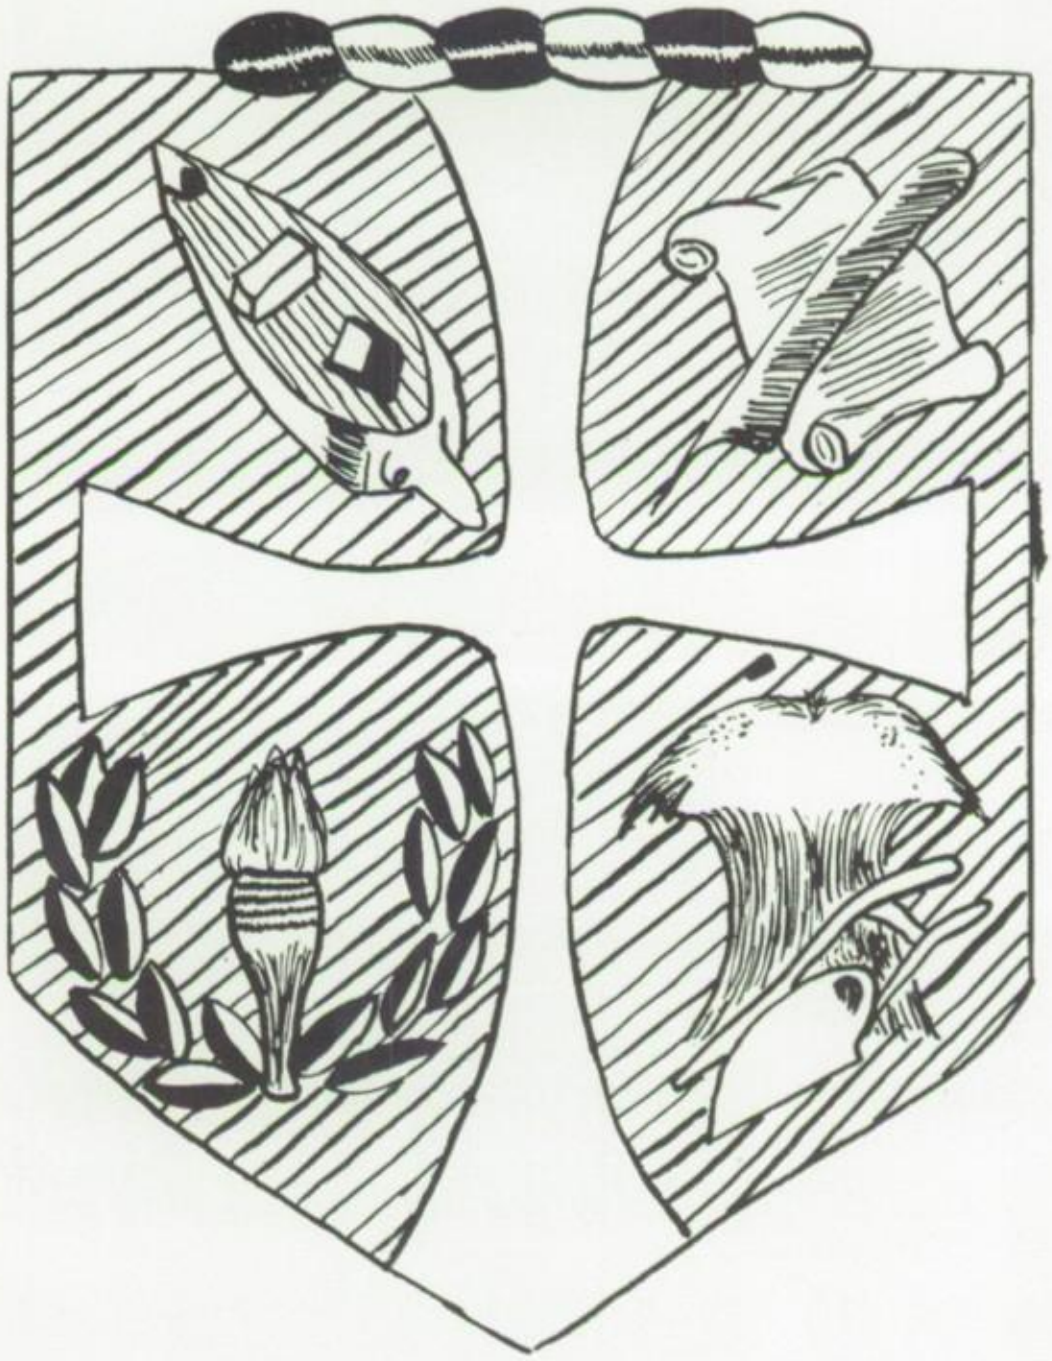
This is our crest . . .



. . . but why is it ours? The answer to this is found in the meaning of each part.

The cross pattee denotes the German heritage, which seems to be dominant in our area, and the influence of religion on our school and community.

The canal boat with the number 16, on it stands for the fact that Ottoville is located on what was Lock 16 of the Erie Canal.

The quill and scroll symbolize achievement and education, the key to our success.

The torch and olive wreath represent athletics, which plays a big role here in Ottoville.

The plow and sheaf of wheat symbolize the importance of agriculture to life at Ottoville.

Yes, this is our crest - a symbol of Ottoville Local School and the heritage on which it was built.

Remember the Times We Shared?

Studying and

Experiencing,

ADMINISTRATION
FACULTY

The Graduating Class of 1971 is first to be congratulated upon the completion of their high school education. I feel sure you have an adequate knowledge of our government process to be worthy citizens and sufficient skills to secure positions of work or to further your education; if this is your decision provided you have the desire to meet your problems constructively.

If there is a need for other qualities in people today it must center upon the idea of trust in fellowman; and a rededication to meeting our individual civic, economic, and moral responsibilities in life. We should not start by trying to perfect the system, but by making better individual persons which tends to make any system function well. I hope that your parents, church, community, and school have provided you with this type development because it is essential to future success as a person and as a citizen.

All the Ottoville School Staff wish each of you the best in the future. We also hope this yearbook is a fond memory of your school days.

Robert A Bruns

Robert A. Bruns
Local Superintendent

In these restless, chaotic years the most priceless possession an individual can own is a strong sense of purpose and direction. Both are related to character. Without character there can be no purpose; without purpose, no direction.

Character is the result of the influences which surround a person. Influences are many and varied. They come from the church, from the home, from friends, and acquaintances, and from the school. It is our hope at Ottoville that the influence extended by the school has been effective. It is our hope that the extracurricular as well as the curricular activities have helped mold, and will continue to help mold, and determine future character.

Elementary Principal

A fine and co-operative staff helped to make my first year in administration a pleasant experience. By having teachers and administration working together, perhaps we can experience even greater success in educating the children of this community. Unity of purpose will determine the amount of success that will be experienced in the 1971-72 school year.

CLASS SONG: ***The Eyes of a Child***

Listen, hear the sound, the child awakes.
Wonder all around, the child awakes.
Now in his life he never must be lost.
No thoughts must deceive him, in life he must trust.

Refrain:
With the eyes of a child you must come out and see that
your world's spinning 'round.
Then through life you will be a small part of a hope of a
love that exists in the eyes of a child, you will see.

Earth falls far away, new life awaits.
Time, it has no day, new life awaits.
Here is your dream, and now how does it feel?
No words will go with you, and now what is real?

Refrain.

In Memoriam

RITA HOEHN

Rita left her classmates in November of 1967. As her classmates and friends we are sorry that she could not graduate with us in 1971.

We would like Rita's parents Mr. and Mrs. John Hoehn to know that we have missed her during our last four years, and we dedicate this page to her memory.

Throughout the Year . . .

the student council has accomplished some things which will help better our school, such as the two new clubs - F.T.A. and the Science Club. Both had to be voted on to see if the students thought they would help better the school. There are some suggestions which were voted on and failed. But the main suggestion which was made was that of girls being able to wear pantsuits. It took a lot of work to get the final approval of the Student Council and School Board. This maybe wasn't for the betterment of the school, but the girls thought it was for the betterment of them.

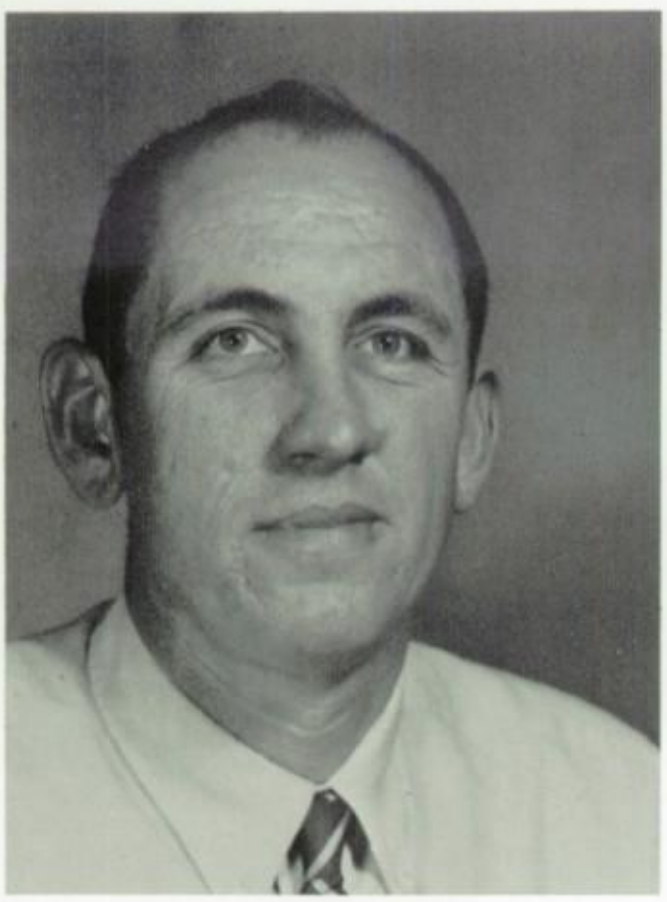
1970-71
A Very Good Year
16-5



The "Big Green" closed out a very fine year winning 16 out of 21 games and losing only 5. Among the achievements of the 70-71 season were: The runner-up in league play with a 6-1 record losing only to Continental in a thrilling 72-71 game, the best defensive team, and the best foul shooting team for Putnam County. (Jim Hoersten and Dave Langhals).

Locally, this year's team set a new field goal percentage record (46.3%) and Don Hoersten set a new individual field goal percentage record of 58.7%.

Leading his team in many departments was senior captain Jim Hoersten. Jim completed his third year of varsity play this year. Among his accomplishments were: the leading scorer, rebounder, and captain for the past two seasons. Also, this year he was the MPV, winner of the foul shooting trophy (79%), and selected on the first team Putnam County.

Congratulations to our senior Jim and Paul and the rest of the squad for your fine attitudes and endeavors of this season.

The objectives of our reserve team were: (1) to win basketball games (2) prepare for varsity competition.

Signs of mediocrity seemed to prevail with our 10-10 record. But with a "string of victories" to end our season and a gratifying win over Crestview, with 14-1 credentials, overall success was felt by the players and me.

Many close games, improvement of basic fundamentals, and team unity were definate factors in the preparation of these young athletes for varsity play.

Best wishes and success to Coach Kortokrax and this fine group of boys that I've enjoyed coaching.

- was Ottoville High's first drama production. Everyone involved was confronted with hard work and pressure; nevertheless, its presentation, under the direction of Robert Kaple and student directors, Pat Herman and Rosie Beining, was a great success. It was another step forward for O.H.S.!

The seniors left Ottoville at 5:00 A.M. on April 16, 1971, for their class trip to Chicago by bus. They stopped in Valparaiso, Indiana, to eat breakfast and then arrived in Chicago about 9:00. The class toured the Museum of Science and Industry, Chicago Fire Academy, and the Prudential Building. Next they went to Old Town and were allowed to shop. The return trip started at 6:30. Again they stopped at Valparaiso to eat and they arrived back in Ottoville about midnight.

It Was Terrific!

"Still Achieving, Still Pursuing."

Well, the 1971 school year is over now, but we have with us many memories of it all. To one another: Thank-you for making 1971 the year it was.

As seniors we extend a special thanks because it was our last at Ottoville High School. In the past twelve years the knowledge we've gained; the defeats and victories we've experienced; the times of distress we've gone through; the joys and sorrows, laughter and tears we've shared; and especially our fellow students whom we have done these things with have become to us Ottoville Local School. She has given to us so much that "Thanks" is hardly sufficient. Yes, we're leaving now - but only to enter into a new setting for which we have been preparing. Fond memories of this preparation will be with us always.
